COSY FS

Overview

Rack Systems is proud to introduce **COSY-FS**. **COSY-FS** is a contemporary range of ultra lightweight, fabric covered, floor standing screens. The elegant edge profile and bold stitching detail around the hem make this screen a high end product with a premium quality feel. Choose between mobile & static base options depending on your needs, create private / group meeting areas or simply create corrals in the office, **COSY-FS** is an attractive & cost effective solution to the ever changing work environment.

A combination of keen pricing, superior build quality and considered design ensures that **COSY-FS** screens represent excellent value for money, whilst remaining appropriate for use within the widest range of office interiors.

COSY-FS screens and bases have been designed and engineered to integrate with the COSY desk up range of screens and compliment many of the underframes manufactured by Rack Systems.

COSY-FS screens comprise of a sewn foam-backed fabric cover upholstered over an 10mm lightweight core.

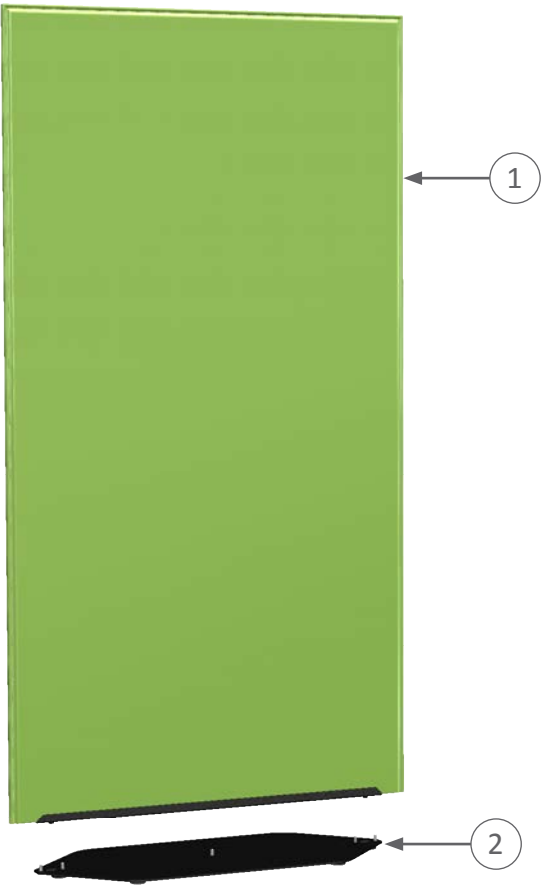

COSY Features:

- Ultra Lightweight construction
- Fully upholstered 'Soft Touch' screen
- Choose between three screen designs T1, T2 & T3
- Plush foam-backed wool fabric
- Static base plate rests on PTFE glides for easy movement
- Static or mobile base options
- Fully recyclable core material
- Beautifully detailed exposed stitching
- Lightweight screen
- Contemporary understated design aesthetic
- Premium Quality & Excellent value
- Designed and manufactured in Britain

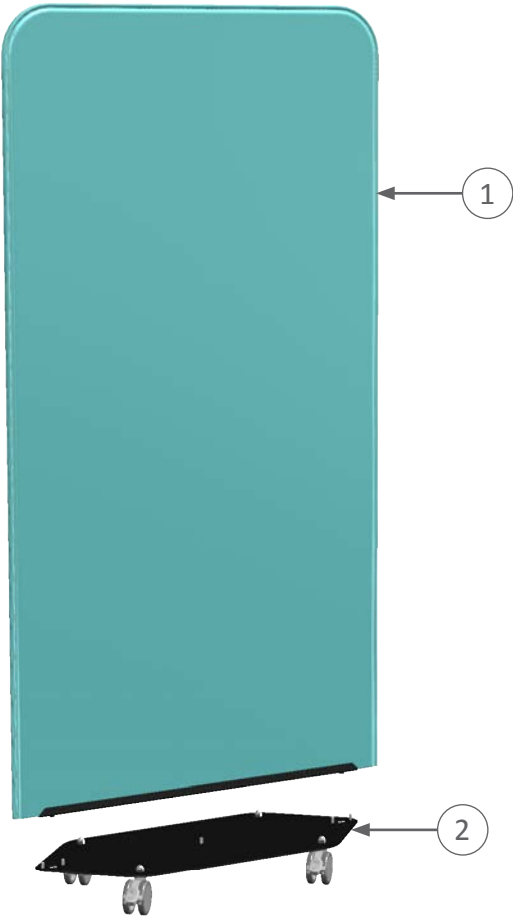

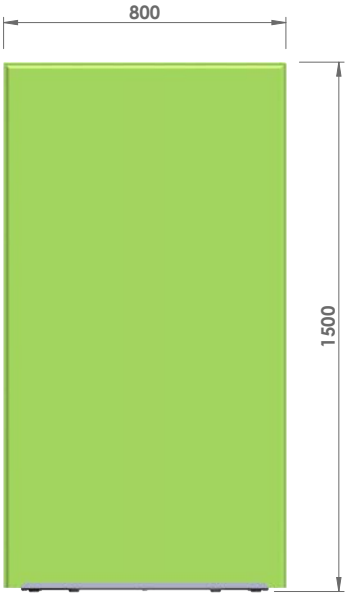

PLEASE NOTE: Due to the light weight core material used and its inherent structural properties, the screen panel may have a slight tendency to bow or twist and as a result cannot be guaranteed to remain entirely flat.
